Poem

I am the person who bullied you to be cool
You are the person in the eyes of whom I was not cool
I am the person who hurt you to feel good
I am the person because of whom you parents, every night, touched wood
I am the person who made you think about suicide
I am the person who hurt you inside
I am the person who made you cry
I am the person who continued even online.
I am the person who ridiculed you in front of my friends
You are the person just wanted to make friends
I am the person who would like to be able to go back up
I am the person responsible of your fight to pick you up
I am the person who kept you from being happy
So I tell you: I am so sorry

We can all take
action against harassment!

Instead of keeping silent
you should talk about it!
